

REMARKS

Claims 1-24 are pending.

Remarks Regarding Claim Amendments

Applicants have corrected typographical errors in the pending claims. Claim 18, drawn to a non-elected invention, is withdrawn. New claims 19-24 are supported throughout the specification such as, for example, in the original claims, in paragraphs [0015], [0028], [0042], [0044], [0045], [0046], and in the Table immediately following paragraph [0065].

No new matter is added by the claim amendments and new claims and their entry is requested.

Remarks Regarding Restriction Requirement

The Restriction Requirement of July 10, 2009 divided the claims into two groups. Group 1 contains claims 1-17. Group 2 contains claim 18. In response, Applicants elect Group 1 (claims 1-17) drawn to a radiation curable composition for examination with traverse. The Restriction Requirement is traversed because it would not be an undue burden for the Examiner to examine just the one additional claim (claim 18) of Group 2.

Applicants earnestly solicit an early and favorable examination on the merits. The Examiner is invited to contact the undersigned if additional information is required.

Respectfully submitted,

NIXON & VANDERHYE P.C.
